

N.C. 12 Update 9/15/14

Latest News: NCDOT and the Southern Environmental Law Center, representing Defenders of Wildlife and the National Wildlife Refuge Association, are currently in active, confidential discussions regarding replacing the aging Herbert C. Bonner Bridge over the Oregon Inlet with a new parallel bridge while continuing to develop a long-term solution to the transportation challenges along the stretch of N.C. 12 south of the bridge to Rodanthe.
